### CHAPTER 682

An act to add Section 14632 to the Government Code, relating to the State Capitol.

[Approved by Governor September 28, 2012. Filed with  
Secretary of State September 28, 2012.]

#### LEGISLATIVE COUNSEL'S DIGEST

AB 2358, Hagman. State Capitol: Ronald Reagan statue.

Existing law prescribes various duties for the Department of General Services in connection with development and maintenance of the park around the State Capitol Building.

This bill would authorize the Ronald Reagan Centennial Capitol Foundation, in consultation with the Department of General Services, to plan a statue of Ronald Reagan in the State Capitol Building Annex. The bill would require the Department of General Services and the Ronald Reagan Centennial Capitol Foundation to approve the design and any other aspect of the statue. The bill would require that the planning, construction, and maintenance of the statue be funded with private donations through the Ronald Reagan Centennial Capitol Foundation. The bill would prohibit construction of the statue until the Joint Committee on Rules has approved and adopted the plan for the statue, and the Joint Committee on Rules and the Department of Finance have determined that sufficient private funding is available to construct and maintain the statue.
